EXPLORER 'NOTRE MER D' ÎLES'

Programme

We would like to say *meitaki maata* to all our sponsors big and small for supporting the PIURN conference. It would not have been possible to fully explore this sea of islands without you all.

Welcome

Kia Orana tatou katoatoa,

Talofa, Mālō e lelei, Bula, Namaste, Fakalofa lahi atu, Mālo ni, Fakatalofa atu, Mauri, Halo ola keta, Solomon Islands - Halo olaketa, La Orana, Aloha, e Kia ora and warm Cook Islands greetings to you all for the Pacific Island Universities Research Network (PIURN) conference. The PIURN team have worked tirelessly for months to provide you with an exceptional conference experience and we are all incredibly excited to host you in this 'large ocean state' - the Cook Islands - on the beautiful island of Rarotonga. To have more than 200 delegates participate in this conference has exceeded our expectations and we have been able to almost tangibly feel the rising excitement that has drifted on the tides and currents of Moana nui o Kiva as we have put the finishing touches to the conference programme. Through this unprecedented number of scholars coming together from across the Pacific triangle we enact Epeli Hau'ofa's (1994) argument that 'the world of Oceania is not small, it is huge and growing bigger every day'. Having so many scholars of the Pacific coming together to share their research offers the opportunity for each of us to connect, support, and to 'transcend all forms of insularity, to become one that is openly searching, inventive and welcoming' (Hau'ofa, 1994) as we continue to pursue our academic lives as people living in Pacific indigenous communities with relational ties that bound us to honour these communities. I am so looking forward to making new friends, being challenged to think differently, to discover new ideas to consider, and to hear about the incredible research work being undertaken across the region. It is indeed my pleasure, on behalf of The University of the South Pacific, Cook Islands Campus, to welcome you - turou oro mai!

*Dr Debi Futter-Puati,
Director of The University
of the South Pacific Cook
Islands Campus*

Pacific Greetings on behalf of the Pacific Islands Universities Research Network (PIURN), co-chaired by the University of New Caledonia and The University of the South Pacific.

We are delighted to have the 5th PIURN Conference, hosted and organized by USP Cook Islands Campus, not only honoring the diversity and quality of our researchers and academics in the Pacific, but also gathering our Pacific and neighboring universities in this unique "Sea of Islands". The themes addressed, from Ocean Worldviews to Climate Risks and Transformations, Status of Women and Culture to Constructing Worlds, Communities facing Changes to Education in the Pacific, Languages and Linguistics to Political issues, highlight the common challenges faced by our region and are an opportunity to identify the future for research and training in the Pacific. This conference is also the occasion to mark the 10-year-anniversary of PIURN, to reflect collectively on its research and academic successes and on the evolution of our Pacific network to strengthen our academic collaboration.

We wish you a very fruitful and enriching Conference.

*Professor Pal Ahluwalia, Vice
Chancellor and President
of The University of the
South Pacific & Professor
Catherine Ris, President of the
University of New Caledonia*

Matariki Celebration | Une Célébration autour de Matariki

Apii Te Uki Ou, Ngatangia

6am - 7.30am

A Cook Islands/ Aotearoa PIURN public event in conjunction with Te Puna Marama, the Cook Islands Voyaging Society and the NZ High Commission

Twinkling in the winter sky just before dawn, Matariki (the Pleiades) signals the Māori New Year in Aotearoa. Heralding remembrance, joy and peace, Matariki is a time for communities to come together and celebrate. We welcome everyone to come and join us. We will have a range of speakers about Matariki including our special guest, Associate Professor Pauline Harris (Rongomaiwahine, Ngāti Rakaipaaka and Ngāti Kahungunu ki Wairoa) who is Deputy Director of the has been appointed to the new MacDiarmid Institute at Massey University. We will then walk down to the beach and Associate Professor Harris will show us how to find Matariki in the early morning sky. As dawn breaks a light breakfast will be served. A PIURN conference bus will be running from 5.30am to pick delegates up from their accommodation. If you are not at a registered bus stop wave the bus down.

Un événement public des Iles Cook et d'Aotearoa de la Conférence PIURN 2023 organisé par conjointement avec Te Puna Marama, la Société Itinérante des Iles Cook, et la Haute Commission de Nouvelle-Zélande.

Scintillant dans le ciel d'hiver juste avant l'aube, Matariki (les Pléiades) annonce le Nouvel An Māori à Aotearoa. Hérault du souvenir, de la joie et de la paix, Matariki est l'occasion pour les communautés de se rassembler et de faire la fête. Nous invitons tout le monde à se joindre à nous. Nous aurons une série d'intervenants sur Matariki, dont notre invitée spéciale, la Professeure Associée Pauline Harris (Rongomaiwahine, Ngāti Rakaipaaka et Ngāti Kahungunu ki Wairoa), directrice adjointe du nouvel Institut MacDiarmid de l'Université de Massey. Au lever du jour, un petit déjeuner léger sera servi. Un bus de la Conférence PIURN circulera à partir de 5h30 pour récupérer les délégués à leur lieu d'hébergement. Si vous n'êtes pas à un arrêt de bus enregistré, faites signe au bus de s'arrêter lorsqu'il arrive à votre hauteur.

Peter Brown and Nabila Gaertner-Mazouni will launch their edited book

This work, an initiative of the University of French Polynesia, showcases, research collaboration between small island universities in the Pacific.

It addresses a number of 'big issues' for Oceania that are also big issues for the world, concerning the biosphere and human society, sustainable development and well-being.

Lancement du livre

Petites îles, grands enjeux. Perspectives du Pacifique sur l'écosystème de la connaissance par Peter Brown et Nabila Gaertner-Mazouni

Cet ouvrage, une initiative de l'Université de Polynésie française, présente la collaboration des Universités des Îles et territoires du Pacifique autour différents thèmes de recherche. Il aborde un certain nombre de "grandes questions" pour l'Océanie, mais également le monde dans sa globalité, concernant la biosphère et la société humaine, le développement durable et le bien-être.

Doing Graduate Research in this Sea of Islands: a get-together for all student delegates to discuss potential research collaborations through the PIURN 2023 Call for Proposals. We will ask students to get together in broad disciplinary groups and across countries, universities and languages to work on ideas for research projects. These project ideas will be developed in collaboration with PIURN after the conference

Faire de la recherche universitaire dans cette mer d'îles : une rencontre pour tous les étudiants afin de discuter des collaborations de recherche potentielles dans le cadre de l'appel à propositions du PIURN 2023. Nous demanderons aux étudiants de se répartir en différents groupes, qui seront constitués selon les disciplines mais qui rassembleront les différents pays, universités et langues pour travailler ensemble sur des idées de projets de recherche. Ces idées de projets seront développées en collaboration avec le PIURN après la conférence.

Professor Heather Worth and Mathilde Souchon

Closing Ceremony

1.45pm-2.30pm

Our host, Dr Debbie Futter-Puati and the co-chairs of PIURN, Professors Catherine Ris and Pal Ahluwalia will sum up the last three day's events and wish you all the best.

The keynote closing address will be given by Associate Professor Pauline Kingi, McDiarmid Institute, Massey University, Aotearoa NZ:

Have a great time for the rest of you stay on our beautiful island, see you at the conference dinner this evening and *kia manuia*.

Artist in Residence

Mitaera Ngatae Teatuakaro Michael Tavioni BEM (born 1947) is a Cook Islands artist and writer. A master carver, he has been described as a taonga (treasure). His role in the Pacific art community is recognised from New Zealand to Hawaii.

Tavioni runs a gallery and art school in Rarotonga, where he teaches traditional vaka-making. In 2021 he was the subject of a short documentary film, *Taonga: An Artists Activist*.

Mike and Awhitia Tavioni, both Master Carvers, will be on site with carvers from the Vananga Tavioni to discuss the Vaka being worked on, with conference participants able to carve or observe.

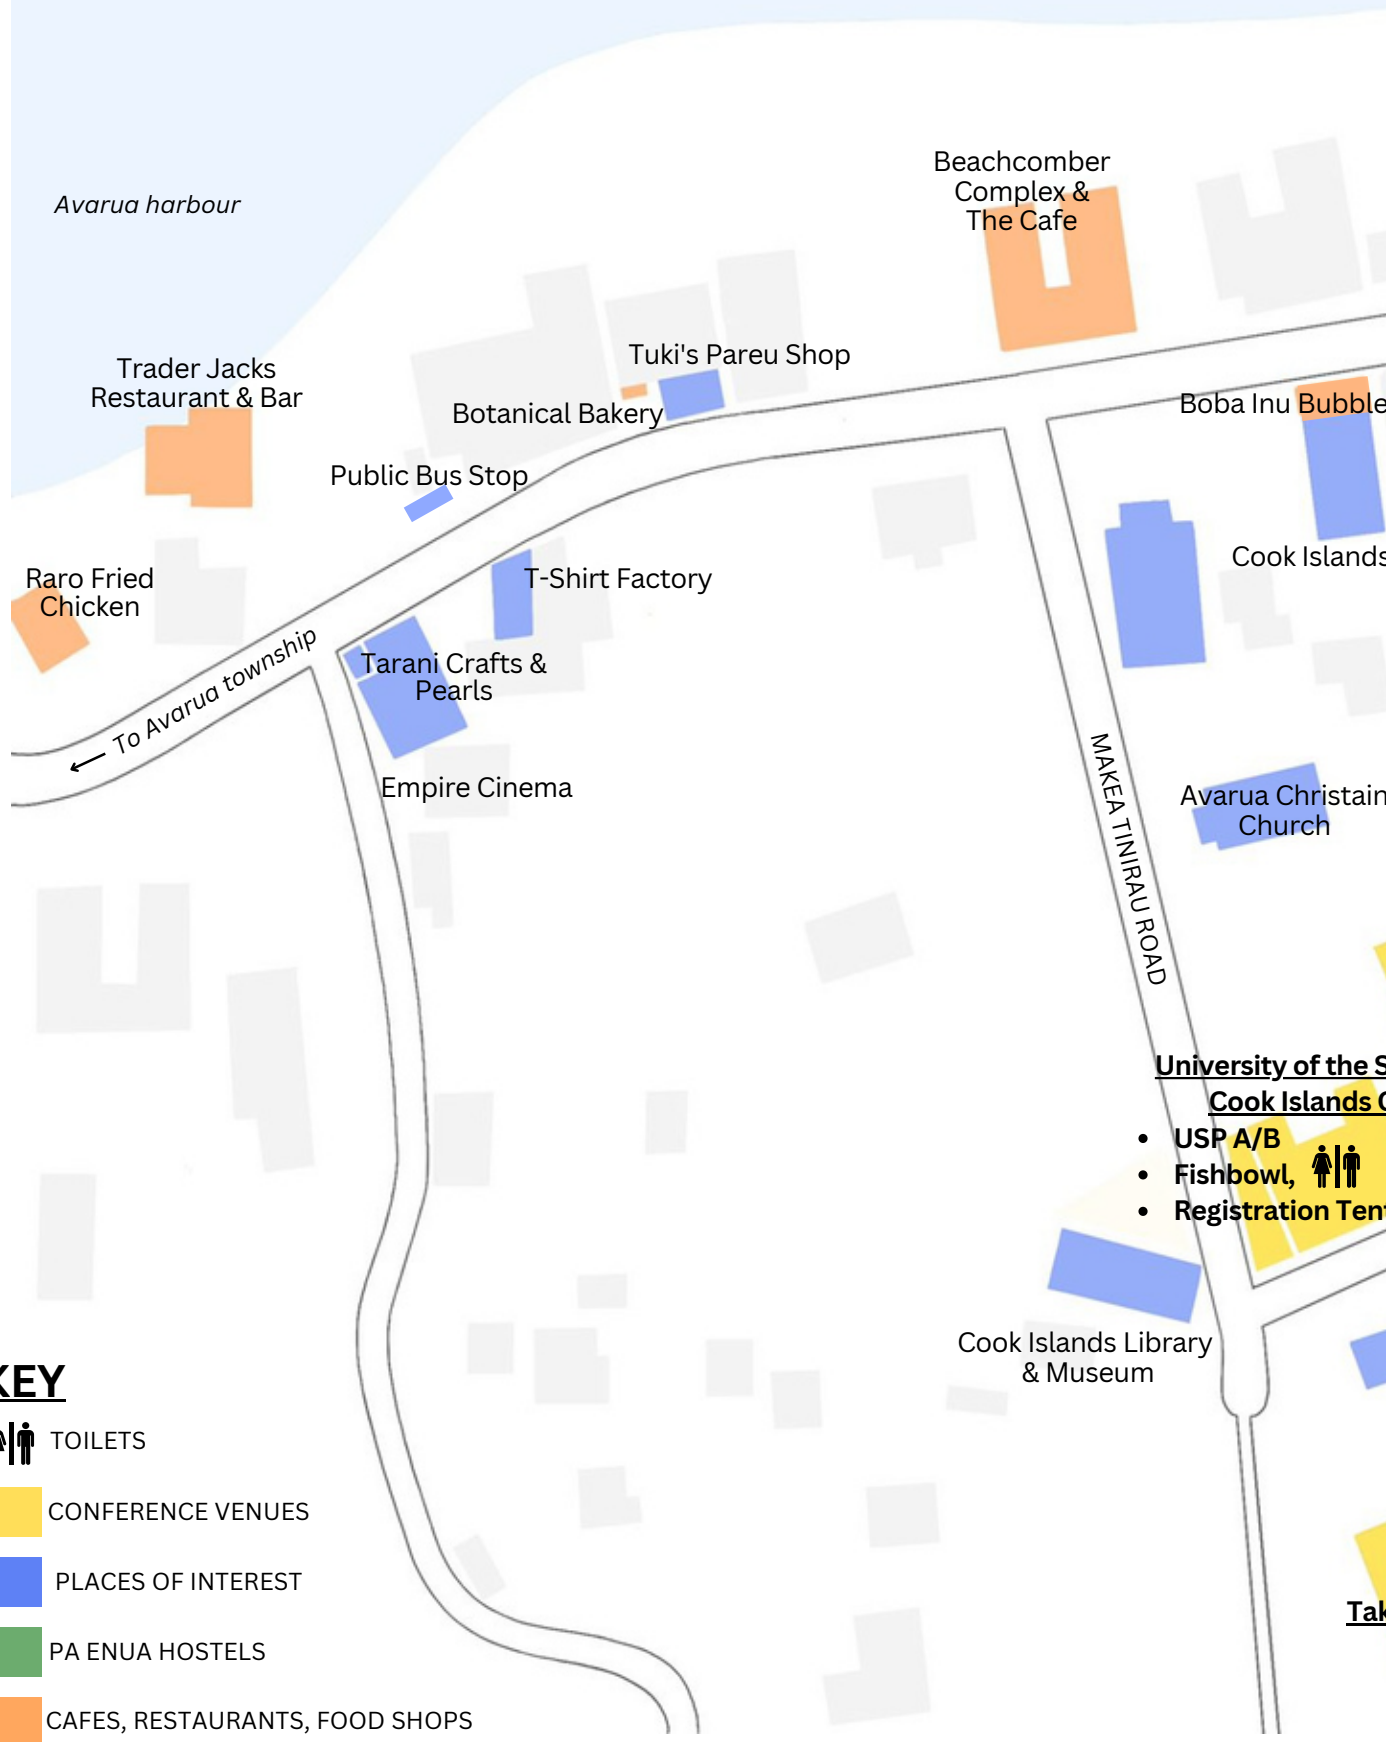

Te Puna Vai Marama

Te Puna Vai Marama, the Cook Islands Centre for Research is a multi-disciplinary research centre jointly funded by the Cook Islands Government and the University of the South Pacific. We work across the Pacific and have undertaken projects in health, climate change, gender and public policy. We would welcome research collaborations, visiting scholars, and graduate students from across the region.

Banks

The local currency is NZ dollars.

Local banks are ANZ bank, Bank of the South Pacific (BSP) and Bank of the Cook Islands (BCI).

Opening hours are from 9am – 3pm Monday to Friday.

BSP opens on Saturday from 9am-12pm.

All banks have ATM machines located outside the banks. There are also ATM machines located around the island. Most local stores accept credit and debit cards.

There is also a Western Union money transfer service in town.

Communications

4G mobile phone services are provided by Vodafone Cook Islands. There will be a Vodafone stand at the conference that will sell Cook Islands SIM cards. These are quite expensive. A cheaper option is accessing Vodafone Wifi hotspots at a number of locations around Rarotonga. To access these, you must buy a prepaid wireless access card available from the Vodafone stand. The cards start at NZ\$15 for 50 megabytes of downloaded data.

As well, the Centre of Excellence in IT at USP has provided us with an internet centre that you can access between 7.30am and 7pm each day. You are welcome to go in and use their computers to access the internet. It will cost you nothing.

Health

Mosquitos can be a problem and precautionary measures are recommended such as insect-repellent and long sleeves/trousers in the evening if outside. There is no risk of malaria in the Cook Islands but dengue fever is spreading across Polynesia so cannot be ruled out. This is transmitted by a daytime-biting mosquito which can be present in rooms.

The nearest pharmacy is located in town approximately a two minute drive or five minute walk, located behind the Empire Theatre. Another pharmacy is located in town within the CITC Main Store, Avarua.

Markets

Punanganui Market – located in Avarua. Operates on Saturday morning 6am-12pm where arts and crafts, local produce and local foods can be bought.

Muri Night Market – located on the south-eastern side of the island. Go up to the main road and turn right. Approximately a fifteen to twenty minute drive from town. Operates Tuesdays, Wednesdays, Thursdays and Sundays from 6pm -8pm.

Supermarkets

Foodland is located in the middle of town, Avarua. Opening hours are from 8:30am to 4pm Monday to Friday and Saturdays until 12pm.

Other supermarkets include:

Prime Foods located in St Joseph's Rd, Avarua, (8am-6pm Monday to Friday and Saturdays 8am to 4pm)

CITC Supermarket located in Avarua (8am – 6pm Monday to Friday and Saturdays 8am to 4pm)

Super Brown operates 24/7 (there is one in Tupapa, five minute drive going clockwise from town and one in Nikao, 10 minute drive going anticlockwise from town)

Oasis Store (located in Nikao, approximately a five minute drive from town past the airport) operates 24/7.

Wigmores Superstore (located in Vaima'anga, approximately a twenty minute drive from town) operates 24/7.

There are also many smaller convenience stores all across the island.

Transport

The conference is providing a specially dedicated shuttle bus service. Please see the PIURN shuttle bus timetable for more details.

There is also a public bus service to get around Rarotonga. The service is hourly round the island (both clockwise and anti-clockwise). The schedule for the bus can be found at <https://www.cookislandsbus.com/schedule>. The closest bus stop to the conference venue is on the main road by the TEM Store and the Paradise Inn. It costs \$5NZD for a single far, \$8 for a return fare, or \$30 for a 10-trip concession card. All fares are paid IN CASH to the driver.

There are also several taxi companies in operation, please see the table above for phone numbers.

Conference Bus Timetable

The PIURN Conference is providing specially dedicated buses for delegates. Look for the bus with the “PIURN” sign in the front window. If your accommodation is not listed below, look for the public bus stop closest to you and be ready to Wave the driver down to request the bus to stop.
